第十五届左主干暨冠状动脉分叉病变峰会
The 15th Left Main & Coronary Bifurcation Summit

Dear Professor,

The **15th Left Main & Coronary Bifurcation Summit, CBS 2023**, hosted by Nanjing First Hospital, Nanjing Medical University, and Asian Bifurcation Club (ABC), is taking place from **November 30th to December 1st, 2023 in Nanjing China**. CBS has been a beacon of Creativity, Breakthroughs, and Science for decades, making it the most welcoming, dynamic and interactive symposium in China.

It is my great honor to invite you to participate in CBS 2023 with in-person meetings and activities in Nanjing. Your expertise in advanced techniques and clinical investigation holds great significance to all conference attendees.

CBS 2023 will mainly focus on the following topics.

- Advances in Left Main PCI
- Bifurcation Stenting Techniques
- Intravascular Imaging and Functional Evaluation
- Complex and High-risk Intervention in Indicated Patients (CHIPs)
- Pulmonary Vascular Disease
- Structural Heart Disease (TAVR, TEER, LAAO)
- Innovative Treatment for Heart Failure

Thank you for your attention and look forward to involving you in CBS2023!

Best regards

Shao-Liang Chen
Executive Chairman, CBS Organizing Committee
