

Dear Colleagues,

The **18th Left Main & Coronary Bifurcation Summit (CBS 2026)**, co-hosted by Nanjing First Hospital, Nanjing Medical University, Asian Bifurcation Club (ABC), and Beijing United Heart Foundation, will be held at **The Grand Mansion Hotel, Nanjing** from **November 27th to 29th, 2026**. CBS has consistently stood as a beacon of Creativity, Breakthrough, and Science for decades, earning its reputation as China's most welcoming, dynamic and interactive symposium in our field.

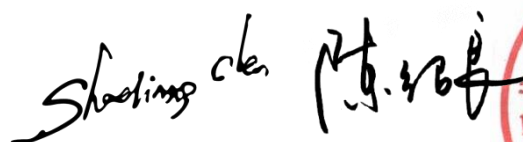

On behalf of the Organizing Committee of CBS 2026, it is my privilege to invite you to participate in this academic event. Your esteemed expertise in advanced techniques and clinical investigation is poised to significantly enrich the event, providing invaluable insights that will undoubtedly benefit all participants.

CBS 2026 will feature cutting-edge scientific content on Interventions for Complex Coronary Lesions, Intravascular Imaging and Latest Clinical Trials. Highlights of the scientific program include:

- Advances in Left Main PCI
- Bifurcation Stenting Techniques
- Intravascular Imaging Training Course
- Complex and High-risk Indicated Patients (CHIP) Interventions
- Contemporary Devices and Techniques
- Study Design and Statistical Considerations in Clinical Trials
- Insights and Interpretations of Landmark Studies

Thank you for your attention and look forward to involving you in CBS 2026!

Best regards,

Shao-Liang Chen
Congress Chairman, CBS Organizing Committee
